Joi ce gjonde,  
ce contentece!

La vite mi rît:  
oh ce bielece!

Oh ce pôre,  
ce spavent!

La muse mi cambie  
intun moment!

Ma se la lune  
mi va di stuart  
ve che al vûl dî  
che mi soi inrabiât!

**E se lis  
lagrimis  
mi jemplin il  
cûr**

*Ma biele e brute  
e je une emozion,  
che e fâs plene la vite  
pardabon!*
